WORK EXPERIENCE

HELPPX PAT

Dubai, UAE

Mar 2025 – Present

Global Mobility Consultant

- Serve as the primary point of contact for assignees, client HR teams, and relocation management consultancies (SIRVA, Metrica, Cartus, Santa Fe, Delight), delivering tailored relocation support.
- Manage relationships with high-profile clients, including Dior, PWC, Raytheon, Majid Al Futtaim, Caterpillar, and GROHE, ensuring exceptional service quality throughout the relocation process.
- Conduct thorough needs assessments covering budget, timeline, and specific relocation preferences, providing strategic recommendations for seamless relocation experiences.
- Coordinate and execute all aspects of the relocation journey, including home search, school search, orientation, and settling-in services.
- Collaborate with internal teams and external vendors (transportation, packing, documentation, destination services) to ensure smooth and efficient operations.
- Maintain accurate records in Zoho Creator, ATLAS, RELO, and other client platforms, ensuring data integrity and compliance.
- Lead client review meetings at regional and global mobility levels, presenting updates, progress reports, and resolving issues proactively.
- Continuously optimise operational processes to enhance efficiency, client satisfaction, and service excellence.

DUBAI WORLD TRADE CENTRE

Dubai, UAE

Dec 2023 – Apr 2025

Supervisor

- Directed daily parking operations, ensuring seamless coordination with HR, Customer Care, and other departments.
- Enforced parking policies and procedures, maintaining compliance and operational efficiency across all facilities.
- Managed Dubai Police security clearances for Procurement and Contracts, and supervised ERP, Oracle Service Cloud, SKI Data, and KTC parking systems.
- Led coordination with Asset Management, maintained violation trackers, and prepared comprehensive monthly and Annual Audit Operational and compliance reports.
- Streamlined communication across teams to optimise parking operations and enhance customer experience.
- Oversaw issuance of parking and access cards for staff and tenants, managing access codes for all internal parking lots during major exhibitions such as GITEX, Gulfood, Arab Health, The Big 5, ATM and more.

DUBAI WORLD TRADE CENTRE

Dubai, UAE

Jul 2021 – Apr 2022

Administrator (Expo 2020)

- Issued entry passes for DWTC staff, personal access, and vehicle access in coordination with the Expo security team.
- Coordinated and communicated with the Expo security team on-site to ensure seamless access control and compliance with safety protocols.
- Maintained accurate records of issued passes and access logs to support operational reporting.
- Assisted in resolving access-related issues promptly, enhancing the security and efficiency of event operations.

DUBAI WORLD TRADE CENTRE

Dubai, UAE

Nov 2018 – Dec 2023

Administrator

- Managed parking and access cards, QR codes, and pre-reserved parking lots, ensuring smooth operations and efficient visitor management.

- Issued Dubai Police security clearances and maintained strict compliance with safety and security protocols.
- Utilised ERP, Oracle, SKI Data, and KTC systems to track violations, update records, and generate accurate reports.
- Maintained violation trackers and prepared operational and compliance reports to support management decision-making.
- Ensured adherence to customer service standards, enhancing visitor satisfaction and operational efficiency.

M & F

Sales Coordinator

Dubai, UAE

Dec 2017 – Nov 2018

- Handled daily customer interactions, providing strong service and after-sales support to boost satisfaction.
- Managed schedules, appointments, and organised key documents and sales records for smooth operations.
- Responded to inquiries, resolved issues, and supported sales initiatives to improve overall service efficiency.

DUBAI DUTY-FREE, DUBAI INTERNATIONAL AIRPORT

Dubai, UAE

Marketing & Sales Associate

May 2016 – July 2016

- Executed brand promotion campaigns for Seiko GPS Astron and CASIO, boosting customer engagement and product visibility.
- Conducted product demonstrations with the sales team to drive on-site sales and enhance customer experience.
- Supported marketing events, maintained displays, and collected customer feedback to improve campaign effectiveness.
